It is understood:

All miscellaneous work done within Las Animas County's Right of Way requires a Misc ROW permit from the Road and Bridge Department.

This misc work must adhere to the following criteria:

- All misc work done within the County ROW must be performed to the latest standards associated with such work. As an example, signs must be installed to the latest version of the Manual on Uniform Traffic Control Devices (MUTCD).
- A Traffic Control Plan, developed by a certified traffic control supervisor, must be submitted for all work performed within County road rights-of-way, or that will directly affect the travelling public. All warning signs etc. used within the County right of way must be in conformance with all applicable portions of the latest edition of the Manual on Uniform Traffic Control Devices.
- Applicant shall be responsible for any damage and associated repairs to the County Road and utilities
- No work shall commence until it is approved by a duly authorized representative of Las Animas County.
- This permit is not valid until it is signed by a duly authorized representative of Las Animas County

Colorado State Law requires that anyone who engages in any type of excavation must notify underground facility owners call 811.
